

107.7 Pulse FM located in Surrey, BC is looking for a full-time “News and Digital Reporter”. The ideal candidate lives and breathes South of the Fraser.. They’re passionate about local issues, and knows how to deliver the stories that matter most to the communities we serve. When news breaks, this individual is quick to respond, create a story, and deliver it from a unique angle on-air and online. This position requires you to know how to engage and inform our listeners through radio, video and online stories. Whether it’s hard hitting news, or what’s trending in the world of entertainment, this individual is the first to keep South of the Fraser up to speed!

KEY RESPONSIBILITIES

- Research, compile, write and deliver newscasts, weather and traffic updates with a South Fraser focus.
- Write, create and post multimedia long-form news stories for web and social (contains the full in-depth story with pictures/video, audio, etc).
- Write and post original blogs that are local or relevant to our demographic for web and social (light news, community, lifestyle, entertainment, etc).
- Build a network of local contacts and sources.
- Frequently post to web and social with news stories and traffic updates.
- Attend press events, City Council meetings, and public consultations (come prepared to record and get a story).
- Work closely with Morning Show (Pulse Mornings) to collaborate on local stories and interact on-air.
- Voiceover for commercials, promos, etc.
- Assist on-air staff with programming requirements when needed.
- On-air board operation when required.
- Voice tracking as required.
- Availability to attend remote broadcasts and station events.
- Other duties as assigned.

SKILLS & REQUIREMENTS

- Minimum 2 years as a news/traffic anchor or reporter.
- Graduate of post-secondary broadcast program.
- Fluency in Burli Software (compiling news, writing newscasts, editing audio, imbedding audio into casts).
- Strong knowledge and passion for South of the Fraser news and issues
- Strong knowledge of the local traffic hot spots from the bridges to the border.
- Skilled in Adobe Audition and Premiere for audio and video editing.
- Expert in posting to social and web (Facebook, Twitter, Instagram, YouTube, SoundCloud, Wordpress).
- Holds themselves to a zero tolerance policy for plagiarism (all stories must be original, and given credit when applicable).
- Knowledge of radio automation software (DJB, iMediaTouch) is an asset.
- Experience with Google Suite (Docs, Sheets, Drive) an asset.
- Always works with integrity and respect for the organization and their coworkers.
- Highly skilled in both written and verbal communication.
- Self-motivated, but also able to work in a team.
- Excellent organizational skills.
- Have a valid driver’s license.

APPLICATION INSTRUCTIONS

If you are passionate about local issues South of the Fraser, a go getter, and want to capitalize on this excellent opportunity, then please submit your resume, cover-letter, references, and demo to showcase your winning talents! Send all application documents and files to: jobs@pulsefm.ca
