

Mayor and Council Candidate Questionnaire

Please respond yes or no to questions 1 through 16. Please answer Question 17 using a 150-word limit.

- 1. Will you agree to never use the Alternative Approval Process (AAP) to remove the protected status from parkland?**
- 2. Will you ask the Province to revoke the AAP?**
- 3. Will you allow Advisory Committees to Council to be selected based on merit and to function independently of council?**
- 4. Will you allow Advisory Committees to set their own agendas and select their own Chairs?**
- 5. Will you bring back City organized meetings of Surrey's Community Associations?**
- 6. Will you allocate a City of Surrey Community Association liaison or form a new Advisory Committee to Council to receive advice from Community Associations?**
- 7. Will you set up a Community Association page on the City website to provide citizens information on these groups?**
- 8. Are you in favour of involving community associations in development processes before they go before council?**
- 9. Are you in favour of a more robust tree protection bylaw and enhanced enforcement that will protect Surrey's tree canopy?**
- 10. Are you in favour of acquiring more parkland to keep pace with population growth?**
- 11. Are you in favour of neighbourhood representation with Council candidates elected through a Ward System?**
- 12. Will you commit to enforcing building codes, deal with bylaw infractions and add sufficient resources to address these issues?**
- 13. Will you stop referring ALR exclusions to the Agricultural Land Commission and step up enforcement on non-farm uses?**
- 14. Are you in favour of limiting maximum house sizes in the ALR to 500 square meters?**
- 15. Do you support Metro Vancouver's Regional Growth Strategy and will you halt further applications to amend the Urban Containment Boundary?**
- 16. Are you in favour of the Trans Mountain Pipeline expansion?**
- 17. Surrey's rapid growth has resulted in a number of challenges including loss of tree canopy and biomass, traffic congestion, overcrowded schools and hospitals and a loss of affordable housing. How do you plan to manage Surrey's growth over the next decade?**
